This decision is in response to applicants' submission filed 28 June 2006.

BACKGROUND

On 27 December 2004, applicant filed international application PCT/JP2004/019562 which designated the U.S. and claimed a priority date of 26 December 2003. A copy of the international application was communicated to the United States Patent and Trademark Office (USPTO) from the International Bureau on 14 July 2005. The thirty-month period for paying the basic national fee in the United States expired at midnight on 26 June 2006.

On 28 June 2006, applicant filed a transmittal letter for entry into the national stage in the United States, which was accompanied by, *inter alia*, the Basic National Fee, a declaration of the inventors, an English language translation of the international application, and a petition under 37 CFR 1.137(b) to revive the application.

DISCUSSION

A petition to revive the present application under 37 CFR 1.137(b) must include:

- (1) The required reply;
- (2) The petition fee;
- (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional.

As to item (1), applicant submitted the basic national fee on 28 June 2006.

As to item (2), applicant submitted the petition fee on 28 June 2006.

As to item (3), the required statement has been provided.

A review of the application file reveals that, with the filing of the present petition and accompanying papers, a proper response has been submitted and all of the requirements of 37 CFR 1.137(b) for revival have been satisfied and revival is therefore appropriate.

Declaration of Inventors

The declaration of the inventors filed 28 June 2006 is in compliance with 37 CFR 1.497(a)-(b). The surcharge under 37 CFR 1.492(h) for filing any of the search fee, the examination fee, or the oath or declaration after the date of the commencement of the national stage has been charged to Deposit Account 180160.

English Translation

The processing fee under 37 CFR 1.492(i) for providing the English translation after the date of the commencement of the national stage has also been charged to Deposit Account 180160.

CONCLUSION

The petition under 37 CFR 1.137(b) is GRANTED for the reasons set forth above.
